PROFESSIONAL SUMMARY

Results-driven Talent Acquisition Specialist with 4+ years of experience in end-to-end recruitment for IT and Non-IT roles, talent sourcing, workforce planning, campus recruitment, and candidate assessment. Skilled in building strong stakeholder relationships, conducting competency-based interviews, and implementing effective sourcing strategies to attract top-quality talent. Known for strong communication, analytical thinking, and problem-solving abilities, with a commitment to enhancing the recruitment process, improving hiring efficiency, and supporting organizational growth.

EXPERIENCE

Medhavi Professional Services Pvt, Ltd (iDreamCareer)

<https://idreamcareer.com/>

Talent Acquisition Specialist

May 2024 - Oct 2025

Responsibilities

- Managed end-to-end hiring across all levels, including campus recruitment, workforce planning, and background verification.
- Reduced hiring turnaround time by 25% through process optimization, proactive sourcing, and strategic talent mapping.
- Conducted sourcing, screening, and assessments while ensuring alignment between candidate skills, role requirements, and organizational fit.
- Designed and executed multi-channel sourcing strategies—including job portals, LinkedIn Recruiter, referrals, social media platforms, and headhunting—to identify, engage, and attract top-tier talent, effectively meeting critical hiring needs and expanding the candidate pipeline.
- Conducted competency-based interviews, initial screenings, assessments, and coordinated panel interviews with hiring managers.
- Collaborated closely with hiring managers and department heads to understand talent needs, provide recruitment insights, and support strategic workforce planning.
- Managed complete onboarding processes, including joining formalities, induction sessions, and smooth new-hire integration.
- Ensured all recruitment activities complied with company policies, HR standards, and labor laws.
- Prepared salary negotiation records, offer letters, appointment letters, employee data, and joining documents.
- Handled the full exit process, including resignation acceptance, asset collection, and file handover.
- Generated and issued legal and compliance documents such as PIPs, resignation acceptance letters, and no-dues forms.
- Promoted company culture, values, and opportunities to enhance employer branding and attract high-quality talent.
- Maintained continuous communication with candidates, resolved queries, and ensured a positive recruitment experience.
- Managed recruitment reports (daily/weekly/monthly), covering position status, TAT, offers, and joining updates.

Responsibilities

- Managed end-to-end recruitment for IT & Non-IT roles including sourcing, screening, interviews, negotiating offers, and onboarding, with a focus on technical and niche roles.
- Led global and international hiring initiatives across multiple regions (Middle East & APAC), supporting tech and non-tech recruitment with a focus on cultural alignment and hiring efficiency.
- Sourced candidates using Social media, LinkedIn recruiter, job portals, Boolean search, referrals and professional networks
- Conducted talent mapping, built strong pipelines, and engaged passive candidates.
- Managed job postings and end to end documentation including Preparing and Issuing offer Letter and appointment letter for outsourced and passive candidates.
- Developed Job descriptions, Recruitment Policies, and maintained accurate candidate data using ATS platforms(Zoho Recruit, Success Factor)
- Handled employee engagement activities, internal training, grievance handling, policy compliance, and exit formalities.
- Mentored junior recruiters and drove process improvements in sourcing and hiring efficiency.
