EDUCATION

Jawaharlal Nehru Technological University

Bachelor of Technology (B.Tech) – Mechanical Engineering - 2015

PROFESSIONAL EXPERIENCE

JSS Associates – Senior Information Technology Recruitment Consultant

May 2024 – Present

Payroll Companies: Oasis, CareerNXT

- Lead full-cycle recruitment for mid to senior-level IT positions across technologies such as Java, .NET, Cloud, DevOps, Data Engineering, Cybersecurity, Salesforce, and ERP.
- Handle contract, contract-to-hire, and full-time requirements for US-based direct clients and implementation partners.
- Work extensively on **W2, C2C, and 1099 hiring models**, ensuring accurate documentation and compliance.
- Manage **VMS-based requirements** through Fieldglass, Beeline, and VectorVMS while adhering to SLAs.
- Source candidates using advanced Boolean searches across job portals, internal databases, and social media platforms.
- Conduct in-depth candidate screenings covering technical skills, communication abilities, work authorization, and cultural fit.
- Coordinate interviews, track feedback, and maintain constant communication between candidates and clients.
- Negotiate pay rates and compensation packages based on market trends and client budgets.
- Maintain a strong pipeline of active and passive candidates for current and future hiring needs.
- Mentor and train junior recruiters on sourcing strategies, ATS usage, and US staffing best practices.
- Ensure adherence to US employment laws, EEO guidelines, and internal compliance standards.

Vertex Computer Systems – Senior US IT Recruiter

January 2023 – January 2024

- Managed end-to-end US IT recruitment for contract and full-time positions across multiple states.
- Partnered with account managers and sales teams to prioritize daily requirements and submission targets.
- Specialized in sourcing passive candidates using LinkedIn Recruiter, Dice, and internal ATS databases.
- Screened candidates for technical competency, client readiness, visa status, and rate alignment.
- Submitted high-quality candidate profiles, maintaining strong submittal-to-interview ratios.
- Coordinated interview schedules, prepared candidates, and gathered feedback post-interviews.
- Supported offer management, negotiations, and onboarding activities.
- Maintained accurate and up-to-date candidate records in ATS systems.
- Built long-term relationships with consultants to support extensions and redeployments.
- Met and exceeded weekly and monthly recruitment KPIs.

Objectwin Technologies – Senior US IT Recruiter

June 2021 – September 2022

- Led full-cycle recruitment for direct clients and prime vendors across banking, healthcare, retail, and telecom domains.
- Recruited for high-demand skill sets including AWS, Azure, Kubernetes, Salesforce, Workday, Big Data, and Java technologies.
- Developed strong pipelines for niche and recurring requirements.
- Conducted detailed technical and behavioral screenings to ensure quality submissions.
- Worked closely with delivery and account teams to meet aggressive hiring deadlines.
- Negotiated competitive compensation packages while aligning with client budgets.
- Supported candidates across various visa types including H1B, GC, USC, and EAD.

- Reduced time-to-fill through proactive sourcing and talent pooling strategies.
- Ensured positive candidate experience throughout the hiring lifecycle.

People Tech Group Inc. – Senior US IT Recruiter

July 2018 – May 2021

- Handled high-volume recruitment for IT and non-IT positions in fast-paced staffing environments.
- Supported multiple client accounts simultaneously while maintaining submission quality.
- Recruited candidates ranging from junior-level to architect-level professionals.
- Conducted resume screening, technical pre-screening, and candidate interviews.
- Assisted hiring managers in refining job descriptions and recruitment strategies.
- Provided interview coaching, resume optimization, and career guidance to candidates.
- Managed offer rollouts, counteroffers, and onboarding coordination.
- Maintained ATS accuracy and generated recruitment reports for leadership review.
- Recognized for strong candidate engagement and consistent performance.
