Summary:

With 3 years of proven success as a Talent Acquisition/Resource Specialist and Results-driven professional with a robust background in IT skills, I bring extensive expertise in end-to-end recruitment, leveraging platforms like Naukri, indeed and Ceipal, LinkedIn Recruiter, Git to source top-tier candidates across diverse domains.

Proficient in employing advanced search techniques and collaborating closely with clients, I excel in identifying talent that meets and exceeds organisational needs. My adeptness in conducting thorough candidate screenings, negotiating contracts, and maintaining strong client relationships positions me as an ideal fit for the Talent Acquisition or HR role. With a background spanning IT/NON-IT, Aerospace, Automotive, and Healthcare, I possess the versatility to address both IT and non-IT staffing requirements effectively.

Professional Experience:
