SUMMARY

Regulatory Affairs Professional with 6+ years of experience supporting FDA-regulated products across IND, NDA/BLA, and post-marketing submissions. Strong expertise in FDA, ICH, and GxP compliance, regulatory strategy, and cross-functional collaboration. Authorized to work in the U.S. without sponsorship.

SKILLS

Regulatory Affairs Skills: Regulatory Affairs, Patient safety, Pharmacovigilance, ICSR processing, signal management, aggregate reporting, PSUR, DSUR, REMS, SOPs, WI, FDA, EMA, ICH, compliance, CTD, CTAs, INDs, Clinical Trial Applications (CTAs), Investigational New Drug applications (INDs), NDAs, DINAs, BLA, ANDA, 510(k), PMA, IDE, CE Marking, EU MDR, IVDR, Orphan Drug Designation, regulatory lifecycle management, review of quality, nonclinical and clinical data, quality data, nonclinical data, clinical data, Informed Consent Forms (ICF), IRB submissions, eCTD submissions, GxP compliance, GCP, GMP, GLP, Risk Management (ISO 14971), ISO 13485, Design Controls, labeling review, promotional material review, UDI, device labeling, SaMD, post-market surveillance (PMS), CAPA documentation, audit and inspection readiness, Medical Devices, Quality Management Systems (QMS).

Quality Assurance (QA) Skills: Quality compliance, CAPAs, deviation management, deviation lifecycle management, change control, audit management, SOP, stakeholder alignment, 21 CFR Part 11, LIMS, RIM, Computer Systems Validation (CSV), validation lifecycle management, MDSAP, medical device design and configuration, system testing and implementation, compliance documentation.

Technical Skills: Oracle Argus, Aris G-LSMV, TrackWise, Medidata Rave, Veeva QMS, Veeva RIM, EDC systems, validation systems, HP ALM, SQL, Power BI, Microsoft Word, Microsoft Excel, Microsoft PowerPoint, SharePoint, AI tools.

Professional Skills: analytical thinking, problem solving, decision making, project management, cross-functional collaboration, fluent written communication, fluent verbal communication, time management, attention to detail.

PROFESSIONAL EXPERIENCE

Cognizant Technology Solutions (CTS)

Regulatory Affairs Specialist

January 2023 - September 2024

- Supported regulatory safety reporting by managing ICSR intake, triage, and submission workflows in Argus Safety/LSMV in compliance with FDA, EMA, and ICH (E2A/E2B/E6) guidelines, achieving 100% on-time regulatory submissions with zero compliance gaps.
- Processed and QCed 8,000+ ICSRs per year across clinical trials and post-marketing sources, performing MedDRA and WHO-DD coding, causality assessment, and narrative review, ensuring accurate data inclusion for PSUR, DSUR, and global regulatory reporting.
- Executed SAE reporting and EDC reconciliation in alignment with SDEA/PVA, GCP, and IND requirements, collaborating with Clinical, Data Management, and Regulatory teams to reduce data discrepancies by 15% and improve inspection readiness.

IQVIA RDS Pvt Ltd

Regulatory Affairs Associate

June 2021 - January 2023

- Conducted literature surveillance of 1,800+ articles per year from Embase and PubMed to identify ICSRs and emerging safety signals for PSUR and signal management activities, maintaining 95% QC accuracy and strengthening benefit-risk evaluations.
- Managed safety and regulatory correspondence by responding to 50+ case-related regulatory queries per month and coordinating follow-ups through Veeva Vault, achieving 98% on-time query closure and improved regulatory responsiveness.

Cognizant Technology Solutions (CTS)

Regulatory Analyst

January 2018 - June 2021

- Maintained and updated SOPs, WIs, training records, CAPA documentation, and deviation logs in compliance with GxP (GCP/GMP/GLP) and QMS requirements, supporting audits and inspections without any major findings.
- Supported global safety database migrations and validated data consistency across Argus Safety, ARIS-G (LSMV), Medidata Rave, and Veeva Vault, ensuring uninterrupted regulatory reporting and submission continuity.
- Led RCA and CAPA initiatives to address compliance risks and inspection observations, reducing case turnaround time by 20% and enhancing audit readiness.

Presidency university

Project Assistant (contractual)

March 2016 - December 2017

- Worked as a Medical Laboratory research technician.

EDUCATION

Northeastern University | Boston, USA |
Master of Science (M.S.) in Regulatory Affairs

December 2025

University of Calcutta | Kolkata, India |
Master of Science (M.Sc.) in Biochemistry

May 2015

University of Calcutta | Kolkata, India |
Bachelor of Science (B.Sc.) in Physiology

May 2013

CERTIFICATIONS

- Project Management Foundations: Quality (LinkedIn December, 2024)
- Six Sigma: Green Belt (LinkedIn November, 2022)
- Design Interpretation of Clinical Trials (Coursera November, 2018)

PROJECTS

- FDA Drug Approval Package: IQIRVO
- Johnson & Johnson: Tylenol Crisis
- Post-Marketing Surveillance: COVID-19 Vaccine Safety Reports
- Informed Consent Form (ICF): DX-2930 (Takhzyro)
- Case Study: Wright v. Fred Hutchinson (Conflict of Interest)
- Risk-Benefit Analysis: DUVYZAT (Givinostat)
- REMS Program: VOYDEYA
- Safety Profile Review: ITCA-650 (Exenatide Mini-Pump)
- NDA Regulatory Consulting
- IND Regulatory Consulting
- Nonclinical Study Overview: Zuranolone
- Decentralized Clinical Trials: FDA Guidance
- FDA Regulation of Dietary Supplements
- Regulatory Strategy for Smart Cardio ECG (Project Management)
- Regulatory Catalogue Preparation (Project in collaboration with Lexim AI)
