

SIDDHI VIKAS NALWADE

Boston, MA | 857-395-5012 | nalawade.si@northeastern.edu | [LinkedIn](#)

PROFESSIONAL SUMMARY

Detail-oriented Regulatory Affairs professional skilled in protocol management, regulatory submissions, and patient safety oversight. Adept at collaborating with investigators and coordinators, ensuring data accuracy, and streamlining compliance processes to meet FDA, IRB, and ICH GCP requirements.

SKILLS

- Clinical Trial Operations: Protocol Development, Informed Consent Forms, Case Report Forms, Subject Recruitment & Enrollment Tracking
- Regulatory Compliance: IRB submissions, GCP, FDA Guidance, 21 CFR Parts 11, 50, 56, 312, 314, 812, 820; ICH E6 (GCP), HIPAA; ISO 14155:2020
- Safety Oversight: Adverse events & Serious Adverse Events Documentation & Reporting, Root Cause Analysis, CAPA
- Data & Documentation Management: Investigator Brochures (IB), Clinical Investigation Plans (CIP), REDCap, Electronic Regulatory Binders, Inspection Readiness, EDC, TMF
- Tools and Software: Microsoft Word, Excel, PowerPoint, Outlook, Teams, Veeva, SharePoint, RedCap, CTMS

PROFESSIONAL EXPERIENCE

Regulatory Affairs Analyst, Lexim AI, Remote (Boston, US) Sep. 2025 – Dec. 2025

- Conducted regulatory research and analysis of evolving FDA/ EU MDR and global healthcare regulations
- Analyzed 10 regulatory documents from the past 5 years to assess regulatory updates impacting businesses
- Created a predictive regulatory impact model for medical devices, drugs, and biologics, reducing potential risk exposure by 30%
- Developed a regulatory impact framework incorporating business attributes such as revenue, employee count, geographic diversity, portfolio size, therapeutic areas, low-high risk devices, and market presence
- Produced reports, illustrative examples, and monitoring plans, delivering actionable insights for companies to strategically plan for regulatory changes, enhancing regulatory preparedness and decision-making speed by 50%

Regulatory Affairs Intern, Beth Israel Deaconess Medical Center (BIDMC), Boston, US Sep. 2024 – Jan. 2025

- Submitted 10+ study protocols, consent forms, and protocol amendments to IRB, achieving approvals within required timelines and ensuring 100% regulatory compliance
- Documented 25+ AEs/SAEs and protocol deviations in REDCap, improving patient safety reporting accuracy by 20%
- Performed quality checks on recruitment and enrollment data, sustaining >98% protocol adherence across all active trials
- Streamlined FDA compliance for a device clinical trial, resulting in zero audit findings during regulatory review
- Managed 50+ electronic regulatory documents with strict version control, ensuring inspection-ready binders at all times
- Assisted with study closeouts, expediting archival of trial data and supporting seamless project transitions
- Collaborated with investigators, sponsors, study coordinators, and research staff to support daily trial operations, ensuring smooth workflow and timely task completion

Medical Liaison Executive, Meyer Organics Pvt. Ltd., Mumbai, India Sep. 2022 - May 2023

- Resolved 50+ scientific queries from HCPs, consumers, and patients, improving stakeholder satisfaction by 25%
- Authored 25+ regulatory-compliant medical documents aligned with FDA, CDSCO, WHO, ICH guidelines, increasing document approval efficiency by 30%
- Conducted competitor analyses and prepared 15+ scientific slide decks, enhancing product positioning and stakeholder engagement by 20%
- Led a 3-month observational study, designing CRFs and collecting data from 50+ participants, generating clinical evidence that supported 100% of product efficacy claims
- Developed training materials and conducted sessions for 20+ sales representatives, increasing product knowledge scores by 40%
- Organized 5+ webinars with 100+ participants and clinician speakers, boosting engagement and Q&A participation by 35%

ACADEMIC PROJECTS

- Developed an Informed Consent Form and Clinical Study Protocol utilizing a clinical trial sourced from ClinicalTrials.gov
- Designed a RCT protocol for the UK-based Greens Stack supplement, including literature review, safety assessment, participant eligibility criteria, and outcome measures to evaluate antioxidant, adaptogenic, and overall health benefits
- Evaluated strategies to improve patient adherence and minimize dropouts in clinical trials, incorporating patient-centered perspectives to enhance study retention and data quality
- Developed an FDA Inspection Readiness SOP (from an investigator site perspective) based for a Phase III clinical trial
- Identified risks to data quality in clinical trials and recommended strategies to ensure accurate, reliable data collection and adherence to study protocols

CERTIFICATION

- | | |
|---|------------|
| • HIPAA, GCP, Human Subjects Research, and Conflict of Interest, CITI, BIDMC | Sep.2024 |
| • REDCap and FDA Part 11 Compliance, BIDMC | Sept.2024 |
| • eISF training for study staff, Florence Healthcare | Oct. 2024 |
| • Good Clinical Practice, National Institute of Drug Abuse (NIDA) | Feb. 2024 |
| • Introduction to Principles and Practice of Clinical Research, NIH | May 2024 |
| • Causality Assessment of Single Case Safety Reports & Regulatory Aspects of Pharmacovigilance, UMC | April 2024 |
| • Quality Management Foundation, LinkedIn | July 2025 |
| • GCP for Clinical Investigations of Devices, CITI | Aug. 2025 |
| • Project Management Foundations: Communication, LinkedIn | Oct.2021 |
| • Clinical Trials Management and Advanced Operations, Coursera | Jan.2024 |

EDUCATION

Northeastern University, Boston **Sep. 2023 – Dec. 2025**
Master of Science in Regulatory Affairs (Current GPA: 3.9/4.0)

Coursework: Clinical Trial Design Optimization & Problem Solving, Validation and Auditing of Clinical Trial Information, Pharmaceutical and Medical Device Law, Safety Sciences, Regulatory Strategy for Product Development, Biomedical Product Development, Strategic Planning & Project Management for Regulatory Affairs, Global Impact of the eCTD

Dr. L. H. Hiranandani College of Pharmacy, Mumbai **Aug. 2018 – Jul. 2022**
Bachelor of Pharmacy (GPA: 3.36/4.0)
