Summary

Frontend Developer with 7+ years of experience designing and implementing responsive, high-performance web applications using HTML5, CSS3, JavaScript, React.js, Angular, and TypeScript. Proven success building and maintaining scalable UI components for enterprise clients including Toyota and Bridgestone. Skilled in modern frameworks, design systems, and cross-functional collaboration to deliver pixel-perfect, accessible, and optimized user experiences. Seeking to leverage expertise as a Frontend Developer in a dynamic, innovation-driven team.

Work Experience

icrossing

Front End Engineer | Dallas, TX | Nov 2022 - Till date

- Developed and maintained web components using LitElement, TypeScript, and Storybook, contributing to Bridgestone's enterprise design system.
- Implemented and maintained AEM-based websites for brands such as Toyota, Bridgestone, Firestone, and Tires Plus.
- Collaborated with analytics and UX teams to integrate user behavior tracking for performance optimization.
- Built responsive React.js dashboards, reducing response times and improving UX by 25%.
- Used Redux for state management and React Router for dynamic routing to streamline data flow and scalability.
- Partnered with design teams to translate Figma mockups into pixel-perfect, responsive components using React, Tailwind, and TypeScript.

PNC Bank

Front End/Ui Developer | Pittsburgh, PA | Oct 2021 - Oct 2022

- Participated in all phases of the SDLC, from design to deployment, ensuring timely delivery of banking web applications.
- Built single-page applications (SPA) using Angular 9 and React.js, adhering to W3C standards and accessibility best practices.
- Integrated RESTful APIs via Node.js and AJAX, improving application responsiveness.
- Utilized RxJS for asynchronous data handling and enhanced performance in Angular modules.
- Designed and developed PL/SQL batches for backend data maintenance.
- Created RESTful APIs using PHP for asynchronous front-end communication.

Gentiva Health

UI/UX Developer | Atlanta, GA | Aug 2020 - Sep 2021

- Developed interactive web apps using HTML5, CSS3, JavaScript, jQuery, Bootstrap, and AJAX, improving data processing efficiency.
- Implemented dynamic, responsive interfaces with Angular.js, Node.js, and React.js, enhancing user engagement.
- Developed Tailwind CSS components and integrated them across React applications for consistent branding.
- Created email marketing templates using HTML and Adobe tools to improve campaign effectiveness.

Rent-A-Center

Web Developer | Plano, TX | Jan 2019 - Jul 2020

- Developed and enhanced interactive pages using React.js, GraphQL, Redux, and JavaScript, ensuring cross-browser compatibility.
- Built a custom JavaScript framework with jQuery and AJAX for dynamic UI functionality.
- Leveraged Material UI components for accessibility and design consistency.
- Wrote unit and integration tests using PyTest, improving system reliability.
- Implemented Python scripts for data visualization and report generation.

Synovus

UI Developer | Columbus, GA | Aug 2017 - Dec 2018

- Built and optimized functional user interfaces using HTML5, CSS3, JavaScript, React, and jQuery.
- Developed reusable Angular 2+ components in TypeScript for REST API integration.
- Collaborated with backend teams to ensure seamless data exchange via AJAX and JSON.
- Designed and optimized wireframes and prototypes using Adobe Flash, Dreamweaver, and Photoshop.

Education

Madha Engineering college

B.tech, Biotechnology | porur, TN | Aug 2008

SASTRA

M.Tech, Medical Nanotechnology | Thanjavur, TN | Aug 2010

Technical Skills

- Languages & Frameworks: HTML5, CSS3, SASS, LESS, JavaScript (ES6+), TypeScript, React.js, Angular (2–9), Node.js, jQuery, Bootstrap, Tailwind CSS
- Tools & Platforms: Adobe Experience Manager (AEM), Storybook, LitElement, Redux, React Router, Git, VS Code, WebStorm, Eclipse
- Testing & Databases: Jest, PyTest, PL/SQL, MySQL, Oracle
- Other Skills: Responsive Web Design, RESTful APIs, Cross-Browser Compatibility, Agile/Scrum, UI/UX Collaboration, Figma, Adobe Photoshop
