

CHARITHA BATHULA

Senior Data Analyst

Email Id: charitha428b@gmail.com | Contact No: (940) 274-0024 | LinkedIn: [LinkedIn Profile](#)

PROFESSIONAL SUMMARY:

Senior Data Analyst with 5+ years of experience transforming complex data into actionable insights using SQL, Python, R, Power BI, and Tableau. Skilled in ETL development, data warehousing (Star & Snowflake schemas), cloud platforms (AWS, Azure, GCP), and predictive analytics. Proficient in SSRS/SSAS reporting, API integration, and automating data pipelines to improve business efficiency. Strong in performance tuning, data governance, and compliance-focused analytics, with proven success collaborating cross-functionally to deliver enterprise solutions. Experienced across finance, mortgage, and healthcare domains.

TECHNICAL SKILLS:

- **Programming:** Python, R, SQL, SAS
- **BI & Reporting:** Power BI, Tableau, SSRS, Excel
- **Data & Cloud Platforms:** AWS, Azure, GCP, Snowflake, Redshift
- **ETL & Warehousing:** SSIS, Informatica, Star & Snowflake Schemas
- **Analytics & Machine Learning:** Regression, Random Forest, XGBoost, Time Series Forecasting
- **Tools & Methodologies:** Git, Jira, Docker, Kubernetes, Agile/ Scrum

PROFESSIONAL EXPERIENCE

Mr. Cooper – Coppell, Texas, USA

Feb 2024 – Present

Senior Data Analyst

- Designed and maintained Power BI and Tableau dashboards to track loan performance, delinquency trends, and customer behavior, improving reporting efficiency by 35%.
- Built scalable SQL pipelines and automated ETL workflows, reducing manual reporting time by 40%.
- Developed predictive models in Python to assess credit risk and early warning indicators, improving model accuracy by 20%.
- Analyzed structured and unstructured data to identify portfolio risk patterns and customer trends, increasing processing efficiency by 30%.
- Partnered with risk, compliance, and engineering teams to deliver regulatory-aligned analytics, reducing data errors by 15% and supporting audits and business decisions.
- Led analytics discussions with senior stakeholders, translating business and regulatory requirements into scalable reporting and modeling solutions.

Texas Health Resources – Arlington, Texas, USA

Feb 2023- Dec 2023

Data Analyst

- Extracted, cleaned, and validated large EHR and clinical datasets, improving data accuracy by 20%.
- Performed statistical analysis to identify trends in readmissions, treatment effectiveness, and operational KPIs, contributing to a 10% reduction in patient readmissions.
- Built executive-level dashboards in Power BI and Tableau, improving reporting and decision-making efficiency by 30%.
- Developed forecasting models to predict hospital resource demand, improving forecast accuracy by 25%.
- Ensured HIPAA-compliant analytics through collaboration with clinical, IT, and compliance teams.

Nouryon — Mumbai, India

Apr 2021 – Nov 2022

Data Analyst

- Analyzed operational, procurement, and supply chain data to improve data accuracy by 15% and support manufacturing decisions.
- Automated reporting pipelines and dashboards, reducing manual reporting effort by 40%.
- Built KPI dashboards to monitor production output, delivery performance, and material consumption, increasing stakeholder visibility by 25%.
- Developed machine learning models to improve performance prediction accuracy by 20% and support 12% cost reduction initiatives.
- Applied statistical testing to identify process improvements, reducing operational variation by 10%.

Equifax - Mumbai, India

Aug 2020 – Mar 2021

Programmer Analyst

- Developed Python- and SQL-based analytics solutions supporting large-scale credit bureau datasets with 99.9% accuracy.
- Designed optimized SQL queries and ETL workflows integrating data from banks and fintech partners, reducing data latency by 20%.
- Collaborated with business and QA teams in Agile sprints to deliver analytics solutions on time and within SLA requirements.

EDUCATION:

- **Master's Degree in Business Analytics** – Southern New Hampshire University, New Hampshire, USA.
- **Bachelor's Degree in Business Administration** – Chaitanya University, Warangal, India.
