WORK EXPERIENCE

MARATHON OIL – Houston, TX

Advanced Accounts Payable Accountant | Jul 2022 – Sep 2025

Supported end-to-end Purchase-to-Pay operations by resolving PO, pricing, and invoice discrepancies to ensure timely procurement and vendor payment. Strengthened P2P controls and compliance practices, maintaining 100% SOX adherence while improving processing efficiency. Expedited urgent payments and procurement requests by coordinating with Buyers, vendors, and internal stakeholders. Supported SAP system upgrades and UAT testing, ensuring continuity of procurement and sourcing operations during system changes.

Master Data Governance Accountant | Jan 2019 – Jul 2022

Led vendor master workflow redesign which reduced processing cycle time by approximately 80%, enabling faster Purchase Order creation and Buyer execution. Strengthened vendor governance and fraud prevention controls, contributing to the prevention of over \$3M in potentially fraudulent activity. Eliminated non-value-added approval steps while maintaining compliance, improving procurement responsiveness and vendor experience. Developed standardized work instructions and delivered cross-functional training to Procurement, AP, and vendor management teams. Partnered with Procurement, Legal, IT, and AP to ensure accurate vendor prequalification, banking validation, and ongoing compliance.

Master Data & Reporting Governance Specialist | May 2018 – Jan 2019

Maintained enterprise vendor, cost center, and G/L master data supporting procurement, sourcing, and contract execution. Supported procurement operations during role transitions and system changes, ensuring continuity of sourcing and vendor payment activities. Performed updates necessary to process Material Service Group changes in SAP and coordinate updates to interrelated master data across affected applications. Collaborated cross-functionally to resolve issues impacting vendor setup, sourcing, and invoice processing.

PACIFIC DRILLING SERVICES, INC. – Houston, TX

Master Data Specialist | Apr 2016 – May 2018

Supported procurement and sourcing teams by maintaining accurate material and vendor master data for 120,000+ materials and 7,000 vendors. Enabled efficient PO creation and sourcing decisions by ensuring data accuracy for pricing, descriptions, and units of measure. Led material master catalog cleanup for four offshore rigs, reducing duplicate purchasing and improving sourcing efficiency. Partnered with supply chain and Buyers to standardize material management processes.

Vendor & Contracts Administrator | Dec 2011 – Apr 2016

Supported contract administration activities, including vendor onboarding, pricing validation, and compliance tracking. Participated in bid support activities by ensuring vendor data accuracy and maintaining complete documentation files. Led a vendor data cleansing initiative that reduced invoice discrepancies from 50% to less than 0.5%. Worked closely with Buyers to resolve disputes related to pricing, scope changes, and vendor performance.
