Procurement & Strategic Sourcing | Supply Chain & Logistics | Contract Negotiation | Supplier Management | SAP & ERP | Cost Optimization | Budgeting | Tableau

PROFESSIONAL EXPERIENCE

Starbright Forever, LLC – Houston, TX

US Operations Lead | February 2023 – September 2025

- Lead supply chain operations from manufacturing to delivery, ensuring on-time fulfillment and optimal inventory levels.
- Track and coordinate international and domestic shipments, ensuring on-time delivery and accurate documentation.
- Partner with third-party logistics providers (3PL) to negotiate service agreements, monitor performance, and enhance distribution efficiency.
- Negotiate and evaluate pricing from suppliers and 3PL providers to reduce costs while improving delivery efficiency.
- Build and implement inventory database and tracking system to improve accuracy and reduce discrepancies.
- Leverage SAP and Tableau for reporting and demand planning, enhancing decision-making on procurement and inventory.
- Investigate and verify customers' claims to identify problems and provide solutions.
- Collaborate with cross-functional teams to align procurement, logistics, and customer requirements.

Southwest Key Programs – Houston, TX

Procurement Buyer | February – November 2022

- Managed end-to-end procurement of goods and services to support shelters for unaccompanied minors across Houston and El Paso.
- Processed requisitions, established purchase orders, and administered contracts in Oracle, ensuring compliance with organizational policies and federal guidelines.
- Researched, evaluated, and sourced cost-effective suppliers to meet urgent program needs while maintaining quality and safety standards.
- Collaborated with shelter leadership and cross-functional teams to forecast requirements and align procurement with operational priorities.
- Monitored vendor performance, resolved issues, and advised program teams on purchasing procedures and supplier selection.
- Inspected goods, reviewed billings, and verified services for compliance with contract terms, reducing discrepancies and ensuring timely delivery.

ASEAN Secretariat – Jakarta, Indonesia

Technical Officer Procurement | September 2011 – December 2017

- Oversaw full procurement cycle from requisition to delivery, ensuring timely acquisition of goods and services across ASEAN programs.
- Prepared RFQs, RFPs, and bidding documents; evaluated proposals and negotiated terms to secure the most cost-effective and responsive suppliers.
- Administered purchase orders, procurement contracts, and vendor agreements in coordination with the Legal Department.
- Developed and maintained the ASEAN Vendor Database, improving supplier tracking, compliance, and relationship management.
- Conducted supplier performance reviews and resolved procurement-related issues, achieving a 95% user-vendor satisfaction rate.
- Planned and monitored annual procurement budgets and operating plans, delivering 99% budget approval and 95% utilization.
- Ensured adherence to organizational procurement policies, financial regulations, and transparency standards.
