## SUMMARY

Supply Chain Professional with 10 years of experience across remote and on-site environments. Proven expertise in optimizing global and domestic logistics for cost and speed. Skilled in leveraging data to manage inventory, operations, and master records, supported by advanced ERP systems and analytics. Committed to continuous learning and driven to deliver impactful results that contribute to organizational growth.

## WORK EXPERIENCE

### MART COBRA (e-commerce company)

May 2024 – Continue

#### As Logistics Manager (Remote, USA)

##### Global & Inland Logistics

- Executing shipments from China to US, EU, UK and CA by air, sea and land channel freight forwarders.
- Execute and optimize shipments to Amazon (FBA, FBM, AWD), Walmart, TikTok, Shopify and 3PL warehouses.
- Onboard global and inland logistics partners for faster and costs effective shipping.
- Create shipping plans in Amazon, Walmart, TikTok and various 3PL POS, Warehouses and freight forwarders.

##### Ecommerce Fulfilment & Distribution

- Optimized warehouse networks for better SLA, quicker shipments and lower-costs.
- Create Excel/Google Sheets work flows for tracking and automated reporting.
- Track logistics KPIs: delivery times, quotes, costs and TAT to speed up shipping and improved accuracy.
- Maintain Amazon and Walmart KPIs, eliminate defects to bring down associated fees.

##### Inventory Forecast & Purchase Orders

- Create Inventory plans and demand forecasts to avoid overstocking and stockouts using tools and spreadsheets.
- Manage and standardize SKUs and packaging across various channels, Manage kitting and BOM for retail & e-commerce.
- Generate POs, and invoice.

##### Coordination with Vendors, Suppliers and Warehouses

- Maintain shipment scheduler and tracker for all kind of production orders and logistics.
- Coordinate with suppliers, 3PLs, fulfillment centers etc. for production and deliveries.
- Oversee end-to-end logistics: inbound/outbound, warehousing, distribution fulfilment and returns.

### THRASIO (USA's biggest amazon aggregator-seller)

Jul 2021 – Mar 2024

#### As Lead Fulfilment & Distribution (Remote, USA)

##### Global Logistics & Inland Shipments

- Manage China-US/CA/UK/EU/AU/JP shipments
- Resolve supplier/forwarder issues for timely low-cost deliveries
- Handle RFQs, track freight, monitor 3PL KPIs/SLAs

##### Fulfilment & Distribution Operations

- Generate shipment documents (ASN, labels, barcodes) for Amazon/Walmart/3PLs
- Handle customs documents (PL, CI, BOL) and coordinate stakeholders
- Optimize fulfillment costs for retail/wholesale (FBA/FBM/AWD/DTC)
- Lead team of 4 coordinators managing 150+ brands (1000+ ASINs across 15 categories)
- Oversee 50+ 3PLs/forwarders for global shipments (LTL/FTL/courier)
- Input data in ERP (NetSuite) and 3PL systems (TMS/WMS)

##### Inventory Forecast & Purchase Orders

- Demand forecasting with DOI monitoring and Excel automation tools
- Inventory planning (stockout/overstock prevention) with EOQ POs
- Maintain master data (case packs, markings, DIMs per market)

##### Warehouse Coordination

- Strategize 3PL network for fast fulfillment/FBM Prime
- Manage kitting orders and inventory tracking (inbound/outbound/in-transit)
- Lead warehouse consolidation/liquidation projects
