## PROFILE SUMMARY

Business Analyst with experience in requirements gathering, business process improvement, data analysis, and reporting. Skilled in using SQL, Python, Tableau, Power BI, and Excel to analyze data, identify trends, and provide insights that support strategic decision-making. Proven ability to translate business needs into functional requirements, create clear documentation, and partner with cross-functional teams to deliver effective solutions.

## CORE COMPETENCIES

- Business Development & Sales: Lead Generation, Client Acquisition, Prospecting, Cold Calling, Pipeline Management, Revenue Growth
- Market Research & Strategy: Competitive Analysis, Market Segmentation, Opportunity Identification, Strategic Partnerships
- Relationship Management: Customer Engagement, Account Management, Client Retention, Negotiation, Consultative Selling
- Data & Reporting: CRM Tools (HubSpot, Salesforce, Zoho), Excel, Sales Analytics, KPI Tracking, Campaign Performance Analysis
- Soft Skills: Communication, Persuasion, Presentation, Cross-Functional Collaboration, Problem-Solving

## PROFESSIONAL EXPERIENCE

Business Development Associate | My Captain, India | 01/2021 – 01/2023

- Drove student and partner acquisition efforts, contributing to consistent monthly growth in enrollments and revenue.
- Conducted market research to identify potential leads, outreach opportunities, and strategic partnerships.
- Performed cold calls and follow-ups with prospects to build interest, qualify leads, and convert them into paying customers.
- Engaged with prospective clients through calls, emails, and presentations to understand needs and offer tailored solutions.
- Collaborated with cross-functional teams (marketing, product, and operations) to design and deliver customer-centric campaigns.
- Built and maintained long-term client relationships, ensuring high levels of satisfaction and retention.
- Analyzed sales pipelines, conversion metrics, and campaign performance using Excel and CRM tools to optimize strategies.
- Consistently exceeded performance targets by leveraging data insights, consultative selling techniques, and effective communication.
