*Contributed to team effort by setting goals and objectives and accomplishing relevant results.

* Supervised and trained 15 employees on a regular and recurring basis.

U.S. Navy, Headquarters, Naval Hospital Guantanamo Bay	06/2012 to 04/2013
Guantanamo Bay, Cuba	Average hours per week: 40
Human Resources Assistant; Operation/Facilities Manager	Grade: Hospital Corpsman 3rd Class, E-4
Supervisor: Darrione Dangerfield	Phone: 504-710-6726

Duties, Accomplishments and Related Skills:

LOGISTICS MANAGEMENT: Accounted for and maintained more than \$39K in government property and office supplies using Defense Medical Logistics Supply Support, an automated logistical system. Used knowledge of wide range of well-established and commonly applied principles, concepts, and methodologies in the technical supply specializations, to include inventory, packing, storing/distributing, or cataloging. Used knowledge of established supply systems in weighing the impact of variables, such as cost, existing policies, information-processing requirements, and other issues that influenced course of action taken.

POLICIES AND PROCEDURES: Reviewed and analyzed incoming awards recommendations documents and correspondence to determine appropriate action. Communicated with departments to process awards and correspondence according to regulations. Tracked progress of awards to ensure proper staffing of all action items and meeting of all deadlines. Performed secretarial duties using Navy Correspondence Manual and administrative support at executive level. Composed correspondences, ensuring content, accuracy, and compliance with Naval policies. As Command Pass Coordinator (CPC)/PSD Liaison for US Naval Hospital, processed over 60 transfers PCS packages, 40 Separation packages, and handled over 160 personnel pay issues, utilizing TOPS (Transaction Online Processing System). Processed travel orders/claims per established policies utilizing local processing procedures and automated systems. Handled all active duty personnel of Naval Hospital HR issues including pay, benefits, new check-in orientation, out processing, housing allowances, transfers, and separations.

OPERATIONAL FOCUS: Oversaw maintenance and repair of building facilities, to include electrical and plumbing installations. Oversaw safety of occupants by ensuring building was free of hazard. Evaluated functionality of firefighting equipment and systems to ensure operational readiness. Assisted emergency response teams in evacuating occupants and containing emergencies. Maintained safe environment with proper lighting, signage, and disability access. Updated emergency plans and evacuation procedures. Arranged for routine maintenance and improvements. Oversaw workers and inspected completed jobs.

ACCOMPLISHMENTS:

*Created and updated more than 20 staff training records, which achieved 100% compliance during organizational quarterly audit.

*Maintained all monthly logs and safety inspection of 40 fire extinguishers, 40 exits lights, and all Command vehicles, which resulted in over 90% accountability.

*Revised over 10 Naval Hospital Guantanamo Bay instructions and 15 Standard Operating Procedures (SOPs).

*Trained four personnel on proper operation of engraver and laser machine, increasing daily production of signs, nametags, and award plaques, which were essential in meeting needs of all organizational departments.

U.S. Navy, Headquarters, Walter Reed National Military Medical Center	02/2010 to 06/2012
Walter Reed National Military Medical Center, Bethesda, MD	Average hours per week: 40
Hospital Corpsman	Grade: Hospital Corpsman 3rd Class, E-4
Supervisor: Myca Davis	Phone: 910-378-5286

Duties, Accomplishments and Related Skills:

LOGISTICS MANAGEMENT: Maintained property accountability and coordinated supply request, receipt, issue, and accountability of individual, organizational, and expendable supplies and equipment for clinic. Secured, cared for, and safeguarded government property against loss, damage, or misuse. Further signed equipment down to actual user level. Coordinated for interim property holder, as needed. Conducted periodic inventories of all assigned equipment and notified supervisor of any discrepancies immediately upon discovery.

RESOURCE MANAGEMENT: Co-chaired committee as treasurer. Maintained budget of \$5K. Collected dues. Maintained accurate record of all monies received and disbursed. Deposited all monies received into organizational bank account as soon as possible. Ensured bank signature card included at least one other member's name. Made payouts only as authorized. Issue a receipt for monies received. Prepared report for regular meetings. Prepared annual report, which was audited before presented. Kept all receipts and bank statements, and canceled checks for future audits.

POLICIES AND PROCEDURES: Co-chaired committee as Secretary. Prepared agenda for meetings in consultation with Committee Chairperson. Made arrangements to include venue, date, and time for meeting. Sent out notification for meetings. Recorded meeting minutes and wrote up the same as soon as possible thereafter. Sent to Chair for approval and subsequently distributed to all committee members. Read, replied to, and filed correspondence promptly. Conducted orientation for new members of the committee and added names to email list. Maintained registers of members' names and addresses. Maintained HIPPA compliance.

OPERATIONAL FOCUS: Provided advice on difficult or challenging concepts and answering technical questions about workflow. Gathered facts and developed conclusions regarding all critical matters that may have significantly affected the Command and its mission. Performed periodic system evaluations and developed recommendations for improvements. Provided operational advice to leaders to assist in decision making on supply management. Provided cross-training for subordinates to ensure standardization, awareness, and thoroughness of procedures.

ACCOMPLISHMENTS:

*Supervised accuracy and administration of over 250 patient records in Allergy/Immunology Clinic, ensuring clinic operation ran effectively.

*Inputted and ensured 100% accuracy of over 2.5K nursing notes into system.

*Maintained more than \$62.9K in medical and office supplies.

U.S. Navy, Aboard the USS Elrod	06/2006 to 02/2010
Norfolk VA	Average hours per week: 40
Logistics Specialist	Grade: Ship Serviceman 3rd Class, E-4
Supervisor: Descone Kelly	Phone: 504-458-4192

Duties, Accomplishments and Related Skills:

LOGISTICS MANAGEMENT: Directed and performed logistics management operations involving the planning and coordinating of all logistical actions required to support the organizational mission. Provided personal and retail services to include management, supervision, and operation of the barbershop, ship's store, laundry, retail store, soda fountain, and commissary store. Conducted periodic inventories and replenished stock. Established internal procedures to receive, issue, and store tools, parts, publications, fuels, and lubricants.
