ABOUT ME

I am a Data Analyst and Advertising Strategist with training in Python, exploratory data analysis (EDA), statistics, and data visualization. Currently, I am enrolled in the TripleTen Data Analytics Bootcamp, which enhances my ability to transform information into actionable strategic insights.

I have proven experience in real-world data analysis projects, showcased in my professional portfolio on LinkedIn. I combine advertising creativity with analytical thinking, delivering integrated solutions for decision-making and brand growth.

PROFESSIONAL EXPERIENCE

Data Analyst | Business Intelligence & Customer Analytics - Grupo Naosa

September 2025 - Present

- Data Analyst focused on strategic decision-making, with experience analyzing large volumes of operational and customer data within the automotive sector, working with a multi-brand group such as NAOSA, which operates BMW, Volkswagen, Chevrolet, and GMC.
- Evaluation of customer behavior, recurrence, and retention through statistical analysis, segmentation, and performance metrics, supporting commercial and after-sales decision-making.
- Analysis of historical and current data to identify risks, trends, and improvement opportunities, contributing to operational efficiency and profitability initiatives in high-demand, multi-brand environments.
- Development of executive reports and interactive dashboards for KPI tracking and strategic planning support.
- Use of Python, SQL, advanced Excel, Power BI, and Tableau for data cleaning, exploration, analysis automation, and data visualization.

Data Analyst – Real Projects (Portfolio available on LinkedIn)

2024 – Present

- Developed analysis projects with real-world data in telecommunications, marketing, and consumer behavior.
- Data processing, cleaning, and exploratory data analysis (EDA) to uncover valuable insights.
- Applied statistical analysis, created data visualizations, and built interactive dashboards for decision-making.
- Hands-on use of Python, Pandas, and Power BI in practical environments.

Senior Image Editor & Account Management – MATRO

2023-2024

- Served as Senior Editor, ensuring high visual quality standards across all projects.
- Directed advanced editing and digital retouching for advertising campaigns and commercial projects.
- Designed efficient post-production workflows, reducing delivery times without compromising quality.
- Maintained direct client communication to meet requirements and expectations.
- Advised on creative resource optimization, proposing visual improvements aligned with brand strategy.
- Collaborated on cross-disciplinary projects with designers and strategists to strengthen the integration of visuals and messaging.

Creative & Production Supervisor – Fundación Jorge Vergara

2021-2023

- Led the production team for the “Chécate” campaign by Chivas Femenil (breast cancer awareness).
- Oversaw budget management, production coordination, and strategic communication.
- Produced persuasive content and campaigns aligned with social causes.

Bilingual Agent – Teleperformance

2019-2021

- Handled customer service in English and Spanish, specializing in billing and technical support.
- Resolved complex issues, improving customer satisfaction.

Logistics & Social Media Manager – Scan Pro

2018-2020

- Managed logistics operations and package handling.
- Oversaw company social media accounts, creating content and analyzing performance metrics to strengthen digital presence.
- Implemented Google Ads campaigns that enhanced brand visibility.

Freelance Projects

- Produced visual materials, advertising photography, and digital storytelling for various clients.
